

OSA-0006-64

21 January 1964

MEMORANDUM FOR THE RECORD

SUBJECT: [REDACTED]

REFERENCE: Memorandum from OEL to DD/S&T; dated 16 September 1963; subject: [REDACTED]

1. This morning I called [REDACTED] of OEL in regard to [REDACTED] briefing that was to be given by OEL to the NRO. [REDACTED] informed me that the briefing had, in fact, taken place on the 15th of January 1964 and was given not to the NRO but to [REDACTED] seemed receptive to the briefing and had given his OK to the initiation of a program by phase.

2. [REDACTED] informed me that he was in the process of preparing a memorandum for the DD/S&T's concurrence along the same lines as the reference memorandum but that it would not include a concurrence line for OSA. He said that OEL still intended to fund the first phase (approximately \$150,000) of the program.

3. I imagine we can expect this memorandum momentarily as the briefing was given under the auspices of the DD/S&T.
